

Fero

Wooden footstool

00846 The wooden footstool is a comfortable addition to each relax chair. The footstool provides optimum support to your feet and legs. It guarantees a nice relaxing position. The inclinable model is optionally available.

Support

- Two solid beech sides and two solid beech cross connections.
- Connection by means of mortise and tenon joints.
- The wooden support is protected by a varnish coat.
- The support is equipped with four synthetic glides.

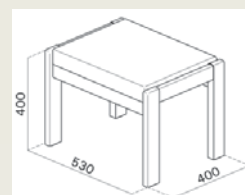

Footrest

- Multi-plywood board. Thickness: 12 mm.
- The inclinable model (optionally), by means of two hinges on the support, up to 45°.
- Upholstered with fire-retardant foam, thickness 50 mm, density: 50 kg/m³.
- Finished with imitation leather.

Dimension

00846 | L 53 x D 40 x H 40 cm
